PROGRAM OVERVIEW

AmeriCorps National Civilian Community Corps (NCCC) is a full-time, team-based residential program for men and women ages 18-24. NCCC members are assigned to one of four regional campuses into teams ranging between 8-12 members who are supervised by a team leader. The teams complete 2-3 month projects responding to local communities' needs throughout the United States.

NCCC projects span across five issue areas including: Natural and Other Disasters, Infrastructure Improvement, Environmental Stewardship, Energy Conservation, and Urban and Rural Development. To achieve NCCC's mission of strengthening communities and developing leaders through service, members serve alongside community and faith-based organizations, national nonprofits, schools, local municipalities, national and state parks, and Indian tribes. Each campus has dedicated programming staff that work with project sponsors to develop projects for NCCC teams.

SPONSORING A TEAM

An AmeriCorps NCCC team can be sponsored by nonprofit and faith-based organizations, government entities (federal, state, and local), public schools and universities, and Native American Tribal Councils. Those who sponsor an NCCC team want to solve an issue related to one of our five issue areas and can provide a meaningful experience for our members during their 2-3 months of service with the organization.

WHAT PROJECT SPONSORS PROVIDE vs. WHAT AMERICORPS NCCC PROVIDES
